- 
- **2007**
Opening of Beijing Representative Office in China
 - **2008**
The world's leading solar energy Research Center established in Guangzhou
 - **2009**
Leading global research centre for chemicals and materials, agriculture opens in Hong Kong, China
 - **2010**
Global Gemstone Research Center established
 - **2011**
Chemistry Research Center established
 - **2012**
Automotive Energy Research Center established
 - **2013**
Equipment Medical Consumer Research Center established
 - **2014**
Electrical Manufacturing Services Service Research Center established
 - **2015**
Recreation and entertainment, etc. 36 industry Research centers were established
 - **2016**
Offices in the U.S., Japan, Europe, and Changsha, China have been established
 - **2017**
Seoul Office in Korea, Shijiazhuang Office in China established
 - **2018**
Pune office in India. Hamburg, Germany office established
 - **2019**
Chongqing Office, China established
 - **2020**
Customised reports, Global Business Number Research Centre launched, global customer base exceeds 54,000
 - **2021**
China Wuhan, Chengdu, Shanxi Datong offices have been set up
 - **2022**
China offices in Heyuan, Kunming, Taiyuan and Zhengzhou were established and the number of global customers exceeded 62,000
 - **2023**
China Rizhao Office, QYResearch Psychodynamic Research Center, Talent Strategy Research Center and Swiss Research Center were established
 - **2024**
China Nanning Office, Portuguese Research Center established

WE OFFER

At QYResearch, we provide in-depth research, analysis, data and forecasts through our team of market experts, databases, analysts and consultants...in the process, ensuring reliability of our information through a multi-check audit process.

Analysis of major regions

Global, North America, Europe, China, Japan and other countries market situation analysis; development history, current situation and trends (market situation in the past 5 years, development trend in the next 5 years), etc.

| Industry Analysis

Rawmaterial, application, product type, demand, supply, downstream, supply chain etc.

| Customized Information

We can offer customized survey and information to meet our client's need.

| Competition

Key players, new entrants, acquisitions, mergers and expansions, development trends and

| Market Size

Capacity, production, sales, revenue, price, cost etc.

CLIENTS' MESSAGE

"Thank you for the data, we're getting a lot of help!"

----- Mr. Lee

"You have given me so more useful information!"

----- Peter

"Good work! I am very satisfied with the information received."

----- Joachim

"The client is satisfied with QYResearch's high quality report."

----- Makio Yamazaki

"Thanks for your quick response, the information is VERY USEFUL for us!"

----- Youssef

"It's very helpful for me to evaluate the future trend of our market."

----- Goto

"Many thanks your detailed response, this is excellent! You answered my questions to my full satisfaction."

----- Viv

"The team is very impressed the quality of work and we sincerely appreciate it!"

----- Inderpreet

"Awesome!"

----- Ms. Gao

"I confirmed the report, and really appreciate your work"
